

Sandy Arts Guild presents the Sandy Art Show

The Sandy Arts Guild and City of Sandy present the second annual Sandy Art Show being held Nov. 13-15 at the Sandy Senior Center located at 9310 South 1300 East.

Sandy is home to some of Utah's world-renowned artists and this premier art show will showcase many of them. The public is welcome to the exhibit from 8 a.m. to 8:30 p.m. each day. Sale of the artwork is through the artists themselves.

Utah artists are invited to enter up to three pieces of original artwork in watercolor, oil or acrylic, clay art (pottery or sculpture), or other sculpture (any media or mixed media). There is a \$25 fee for the first entry and \$15 for each additional piece.

Entries and fees will be received in the ballroom of the Sandy Senior Center on Monday, November 10 from 7 a.m. to 8 p.m. For further information about the Sandy Art Show go to www.arts.sandyseniorcenter.org.

Sandy is home to some of Utah's world-renowned artists. This is a bronze sculpture by Sandy artist Dan L. Hill entitled "Ice Cream."

Safety Message from the Police Chief: Halloween Safety

Halloween is usually a busy night full of activities for young and old. Whether staying at home for a party with friends and family or taking the little ones door-to-door, many precautions need to be looked at to have a safe night of fun.

Please be aware when driving on Halloween night. Many times children are preoccupied with the activities going on around them and not paying attention to safely crossing roads with parents or in a cross-walk. If you are the parent of a trick-or-treater, please remind them of road safety and to watch out for cars when crossing the road. Choose paths that are well-lit and are familiar to you and your child.

Other suggestions for making Halloween a safe night out:

- Carry your cell phone and a flashlight
- Check candy before eating
- Walk on the left side of road, if sidewalks are not available
- Wear a costume that does not restrict movement or vision
- Trust your instincts, leave right away if uncomfortable

The Sandy City Police Department is constantly striving to keep Sandy one of the safest communities in the United States. Please feel free to contact our department at 568-7200.

Fall Leaf Collection

Sandy City has contracted with Waste Management to conduct a fall leaf collection program. For residents living south of 9400 South, place your leaves curbside by 7 a.m. on Monday, Dec. 1. If you live north of 9400 South, please place your leaves curbside by 7 a.m. on Monday, Dec. 8. Please keep your leaves in plastic bags with the tops sealed to prevent the wind from blowing them around. All bags must be placed curbside by the designated Monday to ensure they are collected.

Please call the Public Works Department at 568-2999 with any questions.

Revised Animal Control Ordinance Adopted in Sandy

An escalation in dog attacks in Sandy has prompted a revision of the dog ordinance to place tighter restrictions on animals that have been determined dangerous. The Dangerous Dog Ordinance which places greater responsibilities on dog owners was adopted by the City Council. A dangerous dog is described as any animal being aggressive in nature, training or characteristics and which presents a risk of serious harm to persons or property.

If a dog is found to be dangerous under the new ordinance, the owner will be required to comply with several rules that include the animal being:

- Spayed or neutered
- Microchipped
- Muzzled or confined
- Marked with ID
- Confined in a fenced area

All of these provisions will be at the owner's expense. The intent of the ordinance is to encourage pet owners to take responsibility and train pets to be better neighbors to avoid harm or injury to others. If you have any questions concerning the revised ordinance, please contact Sandy Animal Services at 352-4450 or download the ordinance online at www.sandy.utah.gov.
